

The StreetPilot® III from GARMIN brings in-car satellite navigation to an entire market of car owners. This portable automotive GPS unit is the perfect companion for business or vacation travel. The colorful electronic map

Portable GPS with turn-by-turn and voice prompts

displays your location along with cities, streets, coastlines and more. Download maps from MapSource™ City Navigator™ CD-ROMs for more detail, address lookup and "find" features. Select a destination and StreetPilot III will calculate a route and display street names and turns while voice prompts tell you when to turn. StreetPilot III.

Leave the navigating to us.

specifications
